THE OPTICAL WOMEN'S ASSOCIATION ANNOUNCES GLOBAL CONNECTION EVENT AT 100% OPTICAL in LONDON!

DALLAS, TX – February 13, 2025 – Exciting News from the Optical Women's Association!

The **Optical Women's Association (OWA)** is expanding its international reach, bringing even more opportunities for women in the optical industry to connect and grow. As part of this exciting initiative, we are thrilled to announce an **OWA Global Event at 100% Optical in London!**

Join us for "**Sparkles & Sips: An OWA Networking & Connections Event**"—an inspiring hour of networking, connection, and celebration. Raise a glass of prosecco with **dynamic women from around the world** as we come together to **share ideas, build relationships, and support one another** in this incredible industry.

 **Graciously sponsored by Ocuco**, the event will begin with an introduction from **Nancy Gries, Vice-Chair of the International Expansion Committee for OWA**. Whether you're a longtime member or new to the OWA, this is the perfect opportunity to expand your network in a **welcoming and empowering atmosphere**.

EVENT DETAILS:

- **When:** Saturday, Mar 1, 2025, at 4:00 PM
- **Where:** 100% Optical, Excel London, London, England, 100% Catwalk
- **What:** OWA Sparkles & Sips Networking & Connection Event, networking & cocktail (100% Catwalk)
- **Cost:** This event is graciously sponsored by Ocuco. *Space is limited so advance registration is recommended.*
- **RSVP here by Feb 28, 2025**

Don't miss this chance to **connect, sip, and sparkle** with inspiring women in optical! 🌟🍷

ABOUT THE OPTICAL WOMEN'S ASSOCIATION

Founded in 1997 as a non-profit, the Optical Women's Association is committed to supporting and promoting the professional development of women involved in all facets of the optical industry.

As the vision of the OWA evolves and expands, it maintains the focus of the OWA's founding principles and core mission: to enhance and promote the leadership role of women in the optical industry through networking, education and peer support. Learn more about the OWA here www.opticalwomen.com
